1 June 1955

MEMORANDUM FOR: [REDACTED]

25X1A9A

George:

Thanks very much for calling "Plain Letters" to my attention. I agree with you that it is an excellent publication.

I discussed it this morning at my Staff Meeting at which Administrative Officers from all parts of the Agency were present. I found that many of them had already received copies and were taking steps to insure that a much wider distribution was made.

Thanks again. Your suggestions are always welcome and appreciated.
